

GOATS RISING

AMBIENT GOAT METAL

GOATS RISING - SINCE 2009 THIS MEANS VARIED AND VIBRANT METAL FROM BRAUNSCHWEIG, GERMANY! AFTER A FEW PERSONAL CHANGES BEHIND THE DRUMS THE CURRENT LINE-UP GOT TOGETHER IN AUTUMN 2011. BASED ON A DECENT AMOUNT OF AGGRESSIVENESS, THE SOUND GETS ITS UNIQUE SHAPE THROUGH DISTINCTIVE, CATCHY MELODIES.

IN OCTOBER 2012, THE SELF-PRODUCED EP "RISE OF THE MONKEYGOAT" WAS RELEASED. IT SERVES AS A BLUEPRINT FOR THE FURTHER DEVELOPMENT OF THE BAND.

THESE GUYS HAVE ALREADY HAD A FEW SUCCESSFUL GIGS IN THE BRAUNSCHWEIG CLUB SCENE UNDER THEIR BELT. THEIR NEXT GOALS ARE CLEAR CUT: MORE LIVE GIGS AND A FULL-LENGTH ALBUM.

UNLEASH THE MONKEYGOAT!
