Die From Sorrow

THE KNOWLEDGE

Band introduction

Die From Sorrow, a leading melodic death metal band in China. The band was formed in 2003, and achieved a increasing number of fan base throughout the stages of music festivals and live-houses. During the year of 2011, Die From Sorrow earned the champion of heavy metal competition of the well-known Wacken Metal Music Festival in the China region. The band was announced to be the ‘The Best Heavy Metal Band of 2016’ by the famed Midi Music Festival. Die From Sorrow strongly influenced the metalheads in China by the album ‘Lords of the Alien Sea’ and gained high reputation and honor.
