DARKNESS LIGHT

Darkness Light, the melodic hard rock band from Königsbrunn – Germany was founded early in 2011 by Cristian Bettendorf and stands for handmade energetic and melodic hard rock. The band style melts various influences from blues to new wave of heavy metal and decades of musical experience.

Complex orchestrations with countless guitar melodies and keyboard textures provides everything from hard-edge guitar walls to epic melodic hard rock.

Since the debut album “Living with the danger”, released 2015, the band earned multiple awards, the musical discography counts actually two studio albums, one studio EP, one live album and two singles.

The actual line-up includes Cristian Bettendorf (guitars, keyboards, production), Lydia Pané (vocals), Bernd Sparhuber (bass), Peter Ahle (drums) and Kolja Wiczorek (keyboards).
