

Gorgeous

1.

She's the sweetest thing that I've ever kissed
She is the one I only wanna be with
Cause when we're together, she takes me to that special place
She's my baby, she's my baby

Chorus

**And the stars write her name
Cause they feel she is my everything
There's nothing left to say
She loves who I am
I'm the happiest person in the world
She is my girl**

2.

She is my princess, I'd give anything
Cause when I'm with her, I don't need a thing. (I don't need a thing)
Oh I love her eyes, cause they never lie

Chorus

**And the stars write her name
Cause they feel she is my everything
There's nothing left to say
She loves who I am
I'm the happiest person in the world
She is my girl**

3.

She's gorgeous, gorgeous
She's gorgeous, gorgeous
She's gorgeous, that's what she is
She's gorgeous, gorgeous
She's gorgeous, gorgeous
She's gorgeous, that's what she is
Yes she is
