(PUNK)ROCK

FOR A GAME, MATE?

charming like a highschool-team. four boys, four talents and four goals: give the best, go for hearts, save the world and stay true in everything they do. basti, benni, maeddes and jO know, that they are unable to hold a candle to michael jordan or xavier naidoo. but they will be able to soon. their music is fresh, their easy-going (punk)rock invites you to an unforgettable match. live with full power.

are you „up for a game, mate?“
