

# Joules the Fox

## Tech rider

### Needs:

PA & Monitor Cable XLR

Microphone Stand

2 Power Outlets at the Microphone Stand

### Brings:

Guitar: Western + Pick Up

Microphone: Neumann KMS 104+

Pedals: TC Helicon Harmony Effect Pedal (Mono/Stereo XLR Out)

2x TC Helicon Ditto Loop (Mono XLR Out)

Monitoring: Inear & Behringer Powerplay 2 (XLR)

### Important note on signal chain:

Vocal and guitar signal become one in the harmonizer –

Collectively go into the loop and exit as one mono sum from the loop-pedal.

**THANK YOU!**

**DANKE! MERCI! TACK! KIITTOS! TAK! GRACIE!**
