## INFO

Maeglin sind vier Musiker aus dem Großraum Stuttgart, die den 90er Jahre-Sound des Grunge spielen, mit dem sie groß geworden sind. Selbstkomponierte, melodiose Riffs mit hohem Wiedererkennungswert werden mit eingängigen Gesangsmelodien verbunden... aber immer rough and dirty. Ihre Bühnenperformance besticht durch Energie und zwischen den Songs halten sie sich nicht unnötig auf. Das Repertoire reicht vom trashigen Song über tanzbare Mid-Tempo-Nummern hin zu einfühlsamen Tracks... angeführt von einer dominanten und einprägsamen Stimme. Wer mit dem "Seattle-Sound" aufgewachsen ist, wird es genießen.

Andi - Gesang, Gitarre

André - Drums

Markus - Bass

## PRESSE

*„Sänger und Gitarrist Andi Borello hatte in seiner Stimme die passende Mischung aus dezenter Aggression und Wehleidigkeit, die den Grunge auszeichnet. Ein taktgenaues Spiel der Stuttgarter Band und der schlagende Groove wirkten wohltuend für die Ohren.“ - Pforzheimer Zeitung*

## BIO // LINE UP

Maeglin are four grunge-influenced musicians from the greater Stuttgart area.

Their self-composed, melodic riffs are combined with catchy vocal melodies while remaining true to the rough and dirty grunge sound.

The song repertoire ranges from the trashy "in your face" songs to danceable mid-tempo numbers to sensitive tracks... all led by a dominant and memorable voice.

Their stage performance captivates with energy as they rock from track to track.

Andi - vocals, guitar

André - drums

Markus - bass

Sascha - vocals, guitar
