

Born and raised in Germany, DJ & Producer MICAH is expanding his discography continuously. His sound can be best described as a combination of dance, house and groovy bass house.

MICAHs latest releases on labels such as youlovedance gained widespread recognition and have already been supported by top artists in the EDM industry like Don Diablo, DJs from Mars and PBH & Jack Shizzle (Spinnin', Armada, Hexagon).

In addition to his own successful releases, there are a lot of collaborations with well- known artists like Giorgio Gee or Rocco. Counting millions of streams already, its safe to say you can expect a lot more in the near future.
