

**NUC**

The image features the letters 'NUC' in a bold, black, distressed font. The letters have a rough, brush-painted appearance with white highlights and dark shadows, giving them a three-dimensional, weathered look. The 'N' is on the left, the 'U' is in the middle, and the 'C' is on the right. Below the 'U' and 'C' are three black diamonds, one centered under each letter. At the bottom of the image is a thick, solid black horizontal bar that spans the width of the letters.
