BIO

Jokerface has been around the world performing internationally from the Ramada in Hong Kong, The Tunnel Party in the Netherlands, Germany, Spain, Italy... whether it's the amazing Mixery Festival in Germany, Memorial and Labor day celebrations in Spain or the WMC in Miami , JOKERFACE has done it all. Jokerface has been one of the top disc jockeys in Germany for the past eighteen years. His skills on the turn tables have proven to be timeless in that he is still spinning the latest epic tracks for some of the biggest clubs in Europe. Although most of his publicity comes from his night life image as a DJ, behind the scenes he is also responsible for a hand full of popular music tracks. JOKERFACE has a radio show on EDM Jam Radio (edmjamradio.com) called "Electronic Circus" and has mixed the Planet Radio "Mix and Live show" (Frankfurt), SWR1 Unser Ding "Live show" (Saarbruecken), Radio NRJ "Live show"(Munich), KISS FM "Mix and Live show" (Hong Kong). For that, he has chosen to take the sacred vow of staying true to music that makes crowds get hype. Right now, Jokerface is working overtime traveling all over the world entertaining his fans. As a result, his international connections are promoting his status by branching his image out into the world of endorsements. By popular demand, JOKERFACE brings the club mixes to your stereo. Look for the one and only JOKERFACE at various clubs to find him in his natural habitat..... In the near future, he tends to receive his recognition as a world class producer in the Electronic Dance music scene. Invitations to the biggest festivals like Ultra Music Festival, Tomorrowland, Tomorrowworld, Electric Zoo as well as clubs like Pacha, Space, LIV, and many more have been received with the utmost humility. Currently Jokerface is also producing, remixing tracks for a number of artists. With his amazing talent, style, agility, wit , and humour ... he is sure to be a high riser .
