YOU GUITARPRAYER ist ein Psychedelic Noise Rock Dreiergespann aus Köln, gegründet 2016, bestehend aus Soheyl Nassary (Gesang, Gitarre), Scharco (Bass) und Spiro Kotsomitopoulos (Schlagzeug). Alle Bandmitglieder haben eine langjährige Musikhistorie im Indie Noise Bereich (Nicoffeine, Tarngo, Clarkys Bacon, Genepool u.a.) und waren auf dem Kult Label BluNoise Records, betrieben von dem viel zu früh verstorbenen deutschen Indie Papst Guido Lucas.

Auf ihrem ersten Longplayer „Art Won’t Tear Us Apart Again“, eingespielt im bandeigenem Neon Love Studio, gemischt und gemastert im Genfer REC Studio vom exquisiten Tonschmied Serge Morattel (The Young Gods, Ventura, Knut), entfachen YOU GUITARPRAYER ein extravagantes Soundszenario, dass atmosphärisch dicht durch mehrere Musikdekaden feuert und dabei einen grundeigenen Klangorbit aus explosivem Noisegewitter und raffiniert rasantem Psychedelic Rock mit einer gewaltigen Freak Out Seele, besitzt.

Dieses wilde Soundadventure wird nun via Krachladen Records am September 2019 veröffentlicht und in Form von energetischen Liveauftritten zelebriert.

---

YOU GUITARPRAYER is a psychedelic noise rock power trio from Cologne/Germany and was founded in 2016 by Soheyl Nassary (Vocals, Guitar), Scharco (Bass) and Spiro Kotsomitopoulos (Drums).

All band members have got a long musical background in the Indie Noise scene (Nicoffeine, Tarngo, Clarkys Bacon, Genepool) and were label mates signed with the iconic record label BluNoise Records (Germany).

On their first longplayer „Art Won't Tear Us Apart Again“ YOU GUITARPRAYER spark off an extraordinary sound scenario and fire furiously through several decades of rock possessing their own atmospheric yet powerful noise thunderstorm explosion mixed with a refined and tingly perfidious psychedelic rock and a strong freak out soul.

The recordings were made in their own studio „Neon Love“ and mixed and mastered by Serge Moratell (The Young Gods, Ventura, Knut) at REC Studio Geneva, Swiss. This wild sound adventure will be released in september 2019 on KRACHLADEN RECORDS and will be performed live on stages.
