Microphones:

All 3 Guitarists need a Microphone (Shure SM-58) with a Stand.
Please have enough (and long) XLR- cables.

Light:

Different coloured PAR-lights or something similar for nice atmosphere.
Nice to have: strobes, (floor) fog-machine/hazer, moving lights.

Electricity:

230 volt! 2 Schuko plug sockets behind each instrument.
Be sure that everything is protected and safe. Please have enough multipleplugs and extension cables.

Rumble in the Jungle will bring a technician.
If our technician isn't available, we will reach out to you to find a solution.

Thank You!
