REQUIREMENTS

TECHNICAL REQUIREMENTS

SPLIT/SIGNALS - we have our own ready-to-play rack with a split signals setup. If a drum kit is provided by the event we need 8 XLR slots on the mixer. If drums are NOT provided, we require a total of 16 channels. **Required**

MONITORING - In-ear monitoring will be provided by ourselves and there is no need for monitoring boxes on the stage. **Required**

STAGE - we bring our own microphones but require 2 stands. For each backing vocal 1 stand. **Required**
