SHORT BREAK

P R E S S K I T

October 2023

THE STORY

"20 Year Short Break" was founded in 2019 by Dan Wright (guitar) and Rob Miller (vocals) to resume their musical journey after a long hiatus.

Driven by talent and a passion for honest rock music, they began crafting songs, reemerging in 2020 with their debut single, "Old Dusty Road," exactly 20 years after their last musical endeavor together.

From the outset, their goal has been to captivate audiences not only in the studio but also on stage.

Although the pandemic initially thwarted their live performances, it only fueled their creativity and determination.

After achieving success on Spotify (with over 250,000 streams and over 3,000 followers) and YouTube (with over 500,000 views), the duo evolved into a full-fledged band, not session musicians but a band with heart and soul.

In the years 2022/23, the band was completed with the addition of Andi Kaiser on drums, Stefan Endisch on bass, and Alex Kugler on lead guitar.

In 2023, the band held their first concerts and impressed the audience with their unity, team spirit, and a powerful stage presence.

"20 Year Short Break" is more than just a band – they are a unit that comes together on stage to inspire their audience.

Their unity and synergy are palpable in their captivating live performances, creating an electrifying atmosphere that engages the crowd, encouraging them to sing along and connect emotionally.

THE MISSION

"20 Year Short Break" represents genuine and honest rock.

Handmade and unapologetic. Sometimes harder, sometimes softer – with shades of metal or blues.

Always with catchy melodies, driving rhythms, blistering riffs, profound lyrics, and a direct path to the listeners' hearts.

Real, unfiltered, and from the depths of their souls.

Songs about life and from life itself.

20 Year Short Break take us on a road trip through their lives:

Up, down, forward, backward, but always on the move.

So, clean off your Ray-Bans, fire up the V8, roll down the windows, stick your elbows out, and let's hit the gas!

What else is gonna' happen?
No one knows.

Does it even matter?
It sure as hell doesn't.

Rarely has the road been the destination as much as it has been here because very few have the courage to give it a second shot.

Especially after a 20-year short break.
