

# ponyasteroid

Vocals, Guitar **Rainer Fahrion**  
Guitar & Synths **Daniel Calvi**  
Bass **David Nelband**  
Drums **Tristan Henderson**

The combination of arena rock riffs with a blend of electronic sounds is perfect when Pony Asteroid sets foot on stage. More than just another alternative rock band, Pony Asteroid is a statement. Their unique stage presence and energy is best witnessed right there when it's happening. Having supported Placebo, being aired on famous radio stations in Germany and currently working with Grammy Award-Winning producer Reuven Amiel in Miami, this band is surely something not to miss.

Acid People - Live in Berlin.mp3
