

# THE MONOLITH PROJECT

The Band exists since 2012. Founded as an one man project, today The Monolith Project is a three man band, playing Death Metal with synths using a drum machine.

Inspired by bands like Hypocrisy, Ildisposed, Samael, Six feet under, Behemoth and some other Death & Black Metal Bands we´re trying to great our own sound and trademarks.

## Current Band Members:

Jonas: Vocals

Peter: Bass

Matthias: Guitar
