BIOGRAPHY

Among Traitors is a metalcore band from Germany that was founded in 2018. It consists of Christian and Anja on guitars, Jan on drums, Denny on bass and Flo on vocals.

The band has developed its sound by combining classic metalcore and melodic hardcore. This is characterized by energetic guitar riffs, hard breakdowns and rousing melodies. Flo, the band's vocalist, gives their music an unmistakable style with his powerful and emotionally charged voice.

Since 2021, Among Traitors have been shaking up the local metal scene with their live shows and growing repertoire of singles. The band appreciates the support they have received so far and look forward to continuing their musical journey.

QUOTES

"There's no standing still with Among Traitors, neither on stage nor when it comes to songwriting. In addition to Prison, Out Of Time, Circles and my absolute favorite track Never Again, they also brought a new song with them."

- Heike from sybl.eu

"Between hardcore punk, deathcore and metalcore, Among Traitors presented their own interpretation of the three musical genres, which they emphasized with songs like "Prison"."

"I was completely taken by the single from the very first moment, as it is simply not boring or boring at all. With a good sound that stays in your head, I definitely have nothing but praise for it. A very successful single with incredibly strong lyrics!"

- Adriane from rocklounge-magazin.de
