monitoring we use our own in ear system via own mixer

CATERING RIDER

If not stated otherwise, our travel party consists of 6 people.
 We really don't need much to be happy, so please don't trouble
 yourself on our account. Still we would be very happy with the following:

- 6 PEOPLE -

1. Get-in catering: We leave it up to you (and your inventory) to surprise us with a little something
2. Enough water (without gas) for the stage
3. Energy Drinks Coke and water
4. 6 (warm) meals

Thank you in advance for your caring.
 We promise to pay you back on stage.

for questions and other please mail
