Bun Grave kick your ass. And they do it with a passion rarely seen.

The kids from Östringen (Germany) teamed up in 2006 and play fast Punk Rock combined with influences of the Rock'N'Roll-/Hardcoregenre.

Over the years they've played over 50 shows and have proved that they're totally serious about what they are doing.

It doesn't matter if they play at smaller venues like the local youth centers or in concert-halls like the LKA Longhorn (Stuttgart), Café Central (Weinheim) or the Substage in Karlsruhe, they rock them all.
