01 **BIO GRAPHY**

Ladies and Gentlemen, may we present the Instant Vibes.

The Instant Vibes exploded onto the reggae dancehall scene in 2006 and continue to wow audiences across Germany. Awarded as the best German reggae newcomer band in 2010, the Instant Vibes released their first EP – Welcome to Bavarilon – in the same year to rave reviews.

As a crew of nine, the band has entertained crowds at both the Summerjam and the Chiemsee Reggae Summer festivals in 2012. Instant Vibes have played alongside reggae superstars Gentleman, Jamaram, Mono & Nikitaman as well as supporting international acts like Sean Paul, Miss Platnum and Culture.

The young, charismatic and energizing group has lots to offer when it comes to performing live. They show their versatile skills by presenting a diverse and frequently varying set of songs. From tunes that won't keep you standing still to smooth solos – there is sure to be something for every taste.
