

Band-Info "KORE"

KORE was founded in the end of 2015 in Saabrücken.

The conventional four-man line-up committed themselves to melodic alternative rock affected by the influences of rockbands from the 90s till now.

The guys of KORE always focus on writing songs with love for the details that make songs memorable and leave songs stuck in your heads.

Their songs vary between quiet and full power without losing touch to their own style.

Alessandro Polizzi - Gesang
Jürgen Hubert - Gitarre
Felix Klein - Bass
Dirk Nilles - Schlagzeug
