We are The Most Famous Unknown (TMFU), a post-grunge indie rock band from Hamburg, Germany. Our music is a blend of 90s grunge rock with elements of punk and modern indie rock. We take pride in playing only what we like and have developed our own distinct style as a result.

TMFU consists of Marco on bass and vocals, Ben on drums, and Daniel on guitar and vocals. Fun fact - Ben and Daniel are actually brothers! We've been together since our formation in 2012 and have never changed our lineup. While Ben and Daniel have been in Hamburg for almost 20 years, Marco joined us in 2012 from Italy, which explains why we still speak English.

We've played countless shows on the Hamburger Reeperbahn and we also gained valuable experience providing music for motion pictures. In 2015, our first release "Give it to me, Baby!" was featured in the movie "Kartoffelsalat - Nicht fragen" which premiered in cinemas all around Germany. In 2017, we provided individually tailored music for the documentary "Starting Five" and were featured on the corresponding soundtrack.

Our debut album, recorded in collaboration with Carl Albrecht at Music made me millionaire Studios in 2017, is a diverse collection of songs that capture the essence of our musical spirit. Now, in 2023, we're thrilled to announce the release of our second studio album. We've poured our hearts and souls into every note of this new album, which is in most part recorded by ourselves in our studio and includes collaborations with known figures of the industry, like the producer Machine on the mix and master. This new album is a reflection of who we are as a band and what we love – authentic, high-energy garage style grunge rock that will get you rock hard.
