Techno

Born in Nuremberg, she discovered in the early 90s her passion for the electronic music and became a permanent member of the Nürnberger Techno scene. But the desire to own the dancing people with good sound from year to year, until the beginning of had first DJ equipment. From then on, she initially put on private parties for the dance-mad, until 2004 the first Booking fluttered into the house.

From then on, the requests increased continuously, and a gig chased the next. Be it bars, lounges or well-known clubs, like the rocket, middle soundbar, deer, Nano, house33, desi, z-building Wine cellar, b2, art park and some open airs, Nasty Gärtla, plate change open air, purple clouds, everything has to go out and some well-known festivals, Echosounder Festival, Open Beatz and Sound Therapy. In 2015, the first bookings followed in Kiel and Prague.

Over the years, some styles of music she turned to, so today they are a colorful mix of playful, impulsive and with Instrument-inspired sound in the repertoire.

She has the gift of creating unique moments and so, it happens that the techno basses fly late at night but at noon to the open air sometimes can become house.

It's all in the mix - from Tec house, Techno, Minimal, electro to neo trance she puts everything on what the atmosphere makes you glow.

Her techno veteran-acclaimed event series flashbacks emerged her passion for old school techno and is now a solid Part of the Franconian party scene. The event Kukupaja will be from loved to all who have been there before. This formed the eponymous Act Kukupaja, which consists of Floreano & mina LOKO. Resident at Mehrblick Events.
